INFRASTRUCTURE FUNDING STATEMENT: 2023/2024

1. Introduction

Welcome to the Thurrock Council Infrastructure Funding Statement. This sets out this year's income and expenditure relating to the section 106 (S106) agreements.

All authorities are required to produce an infrastructure funding statement on an annual basis, because of changes to government legislation. This represents the borough's fifth infrastructure funding statement.

This report provides a summary of financial contributions the Council has secured through section 106 agreements from new developments for off-site infrastructure works and affordable housing,

2. Requirements

The matters to be included in the section 106 report for each reported year are as follows:-

- (a) the total amount of money to be provided under any planning obligations which were entered into during the reported year :- £3,997,468.
- (b) the total amount of money under any planning obligations which was received during the reported year :- £1,554,713.
- (c) the total amount of money under any planning obligations which was received before the reported year which has not been allocated by the authority :- £187,500.
- (d) summary details of any non-monetary contributions to be provided under planning obligations which were entered into during the reported year, including details of :-
- (i) in relation to affordable housing, the total number of units which will be provided :- 11 units.
- (ii) in relation to educational facilities, the number of school places for pupils which will be provided, and the category of school at which they will be provided:- **None.**

22/01672/FUL - Thurrock Football Club, Ship Lane, Aveley.

Highways works of HGV turning loop and associated signage works.

- (e) the total amount of money (received under any planning obligations) which was allocated but not spent during the reported year for funding infrastructure :- £12,366,973.
- (f) the total amount of money (received under any planning obligations) which was spent by the authority (including transferring it to another person to spend) :- £528,995.
- (g) in relation to money (received under planning obligations) which was allocated by the authority but not spent during the reported year, summary details of the items of infrastructure on which the money has been allocated, and the amount of money allocated to each item:-
