Interventions Flowchart for parents who are a) in conflict b) separating c) separated d) violent towards one another e) in conflict with their children.

Family Hub practitioner, PASS Worker or Social Care worker identifies an intervention is required

Parents are <u>separating/separated</u> and the conflict between them is considered 'low level'.

Family Hub, PASS and Social Care to signpost parents to services such as:

- a) Parents Aid parentsaid.org.uk - Tel 01268 763 631 or 07890 861 255
- b) Separated Parents Information Programme

Family Hub, PASS and Social Care to provide one to one support to the parents and can use the OnePlusOne Reducing Parental Conflict digital material "Getting it Right".

Family Hub, PASS and Social Care to give parents (who do not want one to one support) the One Plus One code to work through the materials by themselves.

Parents are separating/separated and there is a high risk they will go to court to resolve it.

Parents are separating/separated and have gone to court to resolve it.

Parents <u>live together</u> and there is conflict (but there is no domestic violence) There is conflict between carer and child and mediation is required.

There is domestic violence in parental relationship.
